A fountain-like decoration for the table, standing on three feet. It consists of shell trays that get smaller and smaller as the height grows. There is a voluted support between the bottom, and the middle tray. Between the volutes can be seen gargoyle masks with trays imitating shells. The stem between the middle and upper tray is also decorated with gargoyle masks. There is a putto riding a dolphin on the top. Colours: bright purple, blue, green, brownish-red and yellow. A number of identical pieces are known.
