| Materials: | almandine; silver-gilt; turquoise |
| Techniques: | painting enamel |
| Dimensions: | length: 12 cm diameter: 5 cm |

Both clasps are the same: a disk of blue enamel over a six-lobed base, covered with six, leaved bands. The centre shows six, upturned, enamelled leaves enclosing a turquoise in a hexagonal setting the other stones are scattered. The clasps were inspired by 16th-17th century, Transylvanian enamel jewels, with a deep knowledge of the techniques.
