Date of production:	ca. 1900
Place of production:	Budapest
Materials:	paper
Techniques:	pencil drawing; watercolour
Dimensions:	height: 16 cm width: 26,4 cm

The round foot is probably decorated with a narrow rim, enriched with enamel painting and precious stones. The slightly splaying top is connected with the foot with an unusual stem, shaped of the beaks and feet of two naturalistically shaped and coloured storks that lie on their backs. The beaks and legs support the elongated, dark brown plate.
