Plate - With the depiction of the Chain Bridge

Ceramics and Glass Collection

Accession Nr.:	67.217.1
Date of production:	late 19th century
Place of production:	Germany
Inscription:	hátoldalán szürkével bélyegezve: koronás sas 'Germany' felirattal
Materials:	hard earthenware
Techniques:	thrown in mould; with transfer print
Dimensions:	height: 2 cm diameter: 22,5 cm

The large, flat surface has an upwardly curving, wavy rim, decorated with lattice and bunches of flowers. The surface shows the Pest entry of the Chain Bridge, in a rounded, rectangular frame. In the background the Castle of Buda appears. It was probably made after a contemporary copper cut. There is an inscription below *A 'Buda és Pest közti álló híd' képe* (The picture of the standing bridge between Buda and Pest).
