

Tea cup and saucer

Ceramics and Glass Collection

Accession Nr.: 57.434.1.1-2 

Date of production: ca. 1900

Inscription: nincs

Materials: porcelain

Techniques: gilded; matt-painted over glaze; moulded decoration

Dimensions:
 height: 6,3 cm
 opening diameter: 9 cm
 base diameter: 5 cm

The cup is flower-shaped, with six greenish sepals at the bottom and six frilled, purple and yellow petals at the top rim. The handle has a broken curve, bent back at the bottom. The saucer has a frilled rim, imitating a flower blossom of six petals. The rims and the handle are enriched with gilding.
