

Design - book decoration

Archive / Collection of Printed Design Sheets

Accession Nr.:	MLT 446 
Artist/Maker:	Kossuth, József
Place of production:	Budapest
Inscription:	K
Materials:	paper
Techniques:	Indian ink
Dimensions:	height: 20 cm width: 21,5 cm

József Kossuth, the painter and graphic designer was first of all known for his paintings. This tail-piece, published in the periodical Magyar Iparművészet (Hungarian Applied Art) seems to be one of several book decorations of similar style. The hunting or fishing putto figures against a black background are enframed by stylized borders of the favourite plants of the age.
