Materials:	almandine; gold (22 carats); moonstone; pearl; ruby; sapphire; tourmaline
Dimensions:	length: 4,3 cm width: 3,5 cm weight: 19,9 g

The clasps consist of two parts on one, there is a semicircular part connected to the rectangular base, enframed by a twisted, plaited rim. Its pair is a cut rectangular for, with refined corners. The surface of both is covered with precious stones in cases - a typical decoration of oriental jewellery - in a scattered, fancy arrangement.
