Night stand: the standing, prismatic stand with a door and a drawer is supported by four turned feet. Its pilasters end in roses. The corners of the marble top are rounded. The back is curved, decorated with a set-in oval panel and a floral garland. There is a console shelf in the middle. The *KS KATHARINA STAMER* inscription in the middle of the back refers to the original owner.

This bedroom suite was the dowry of Katharina Stamer, the great-grandmother of the ethnologist Mrs. J. Dajaszászy nee Vilma Dietz. The suite of a Saxon middle-class family from Temesvár is a typical example for the furnishing taste of the period and at the same time a forerunner of a type that became popular and widely used in the twentieth century.
