The table stands on four voluted, curved legs that are joint by diagonal stretchers. The juncture of the stretcher is emphasized by a bunch of flowers. The juncture of the feet and the frieze are also richly decorated the oval top has a wavy rim. Its structure and stylistically features suggest that it was made in the same workshop as the cupboard with Inv.No. 51.1762., that is, in the workshop of F. O. Schmidt.
