Techniques:	moulded decoration; painted under glaze
Dimensions:	height: 14 cm base diameter: 8,5 cm opening diameter: 9,4 cm

The cup-shaped body stands on four flattened leaf-stem feet. Four embossed lily-of-the-valleys spring from the feet up to the body. The stems curve backwards, following shape of the top rim, imitating petals. It must have had a cover earlier, because the rim is painted gold on the inside. The colouring is extremely light shades of blue and brown.
