The settee stands on six splayed, cylindrical, fluted legs, carved with strings of pearls. The frieze is decorated with rosettes in squares above the legs, joined by carved, flowery-leafy foliage. The rectangular seat is combined with the upholstered back and arm-rests. The curved, vertical arm-supports are carved with leaf motifs they join the curved arm-rests of garland decoration in scrolls. The two sides of the back-support show rosettes in squares, surmounted by pines the middle is decorated with a pierced wreath.
