The domed, six-lobed foot is decorated with white silver leaves and flowers in oval, ogee or spear- shaped fields. The stem is a relief child figure, holding the bell-shaped cup on its head. The surface of the cup is covered with motifs similar to those on the foot. Faun heads line the top rim of the cup. The decoration of the six-lobed, domed cover is similar to that of the foot there is a rampant horse on the top.
