<b>Place of production:</b>	Hungary
<b>Materials:</b>	concrete; paper; polythene
<b>Dimensions:</b>	height: 5 cm width: 5 cm length: 24 cm

The pieces of the game are simple, truncated triangular prisms, which players must place next to each other to form a surface without steps. The first piece has the manufacturer's name, Planbureau impressed on it. The pieces are packaged in a tight row. The packaging is a piece of black cardboard folded into four and embossed with a triangular grid pattern, which, when folded into a triangular prism, presses close onto the concrete pieces it holds.
