The oval shaped bowl has a segmented body, the lip is curved and everted. In its interior there is a moulded groove suitable for the foot of the cup. The decoration consists of punched cartouches and flowers. The helmet-shaped cup has a sloping, stepped foot, a flat, round node, an oblong body with a curved rim. The edge is sloping outward, with a slightly everted lip. It has a scroll handle. Its ornamentation is similar to that of the bowl.
