Double cup

Metalwork Collection

Accession Nr.:	18991.a-b
Date of production:	early 17th century
Place of production:	Southern Germany
Inscription:	olvashatatlan hitelesítő-és mesterjegy
Materials:	silver-gilt
Techniques:	chased
Dimensions:	height: 28 cm diameter: 6,8 cm weight: 345 g

The rim of the round base is chased with rosettes and stylized garlands of fruits. The fluted mode of the stem is in the form of a vase. The hemispherical bowl is decorated with chased fruit garlands and cartouches. One of the six oval fields of the funnel base is engraved with a scissors motif and the initials PS. This mark - probably that of a tailors' guild - was engraved later. Unidentifiable marker's sign.
