(By the Hon. Mr. Lewis Carroll.)

MORELLA CHERRY BRANDY.
 This liquor is popular wherever the Bismarck, the Rose and the Thistle hold sway. Quaker's Quality for household use, and Sportsman's strength and less sweet for carouse exercise. Can be taken as health or good wine.

He thought he saw this legend writ—
 "Always keep it handy!"
 He looked again and saw it was
 John Bull, for mad Scotch.
 "They drink," he said, "the National Tonic
 In Gess's good Cherry Brandy."

GRANT'S MORELLA CHERRY WHISKY.
 Made with the juice of the Morella Cherry and fine soft old Scotch Whisky.

He thought he saw some yachtsmen pale,
 In vacation days;
 He looked again and saw them roared
 Where roared the Bay of Biscay.
 "They roared," he said, "but pick-me-up
 Grant's soft old Cherry Whisky."

GRANT'S SLOE GIN.
 A fine Liqueur and Tonic. Invaluable to Goffe's, &c. Made from the pure fruit.

He thought he saw a gaffer, mad
 Because he talked in rhyme;
 He looked again and saw a change,
 That gaffer, gin to gin.
 "This happy mood is caused," he said,
 "By taking Grant's Sloe Gin."

GRANT'S GINGER COGNAC.
 A very superior quality of Ginger Brandy. A choice and beautiful stimulant.

He thought he saw a man he had,
 His limbs all cold and slack;
 He looked again and saw him shiver,
 For life was coming back.
 "A wonderful stimulant," said he,
 "Grant's Ginger Cognac!"

GRANT'S ORANGE GIN.
 A splendid appetizer and excellent Tonic.

He thought he saw a red-eyed man,
 Who had no appetite;
 He looked again and saw that man
 Eating with all his might.
 "Grant's Orange Gin has worked," he said,
 "An appetizer spite."

GRANT'S ORANGE COGNAC, GINGER GIN & GINGER WHISKY.
 Very pleasant and of the purest quality.

He thought he saw a table spread
 With chicken wafers from France;
 He looked again and found they were
 Liqueurs, in second place.
 "Liqueurs," he said, "are excellent
 Provided they are Grant's."

The above liquors are made with the very best and purest ingredients, and can be obtained from all Wine Merchants.

REASONABLE GIFTS.—An assorted case of 12 bottles will be very useful, and in any order to Grant's Whisky, on receipt of remittance for 30s. 6d.
