Dimensions:	height: 44,8 cm base diameter: 16 cm opening diameter: 25 cm

The short foot rim supports a splaying, hornet- shaped, bulging body. There are broad, white circles crossing each other on the foot rim. Above the circles, there is the profile face of a young boy, looking upwards, among blossoming jasmine boughs. Leaves appear behind the web. This scene is repeated three times on the surface, painted in refined shades of blue, gray and brown.
