Screen

Furniture Collection

Accession Nr.:	84.324.1
Manufacturer:	Gebrüder Thonet Furniture Factory
Place of production:	Austria
Inscription:	nincs
Materials:	beechwood
Techniques:	bent; polished
Dimensions:	height: 175 cm width: 156 cm

The screen originally consisted of four parts today it lacks one of the parts and the silk upholstery. In its present state, the screen consists of three identical sections. The frame of each section is created of two cylindrical posts on the sides, ending in turned balls, a curved top and a straight bottom. There are two square rods on each side of a section, bent in a curve, crossing each other at the top and bottom.
